MEMORANDUM FOR: Inspector General

SUBJECT : Action on European Administrative Problems

REFERENCE : Your memo to The Director dated 30 Jun 52, sub: "Western European Trip, 19 May - 20 June 1952"

25X1A 1. Copy No. 3 of the referenced memorandum was reviewed and appropriate paragraphs called to the attention of the offices concerned. Action on some, as in the [redacted] case, has already been taken. Others, as in the case of allowance problem, are the subject of a major staff study approach, and others will be remedied as rapidly as possible in the normal course of business.

2. Although the majority of the problems you described could be discovered only by such a visit as yours, the others could have been met by appropriate routine communications with headquarters. The fact that the requests were not made of headquarters, or if made were not acted upon, is in itself a problem to which we must address ourselves.
